**REQUEST FOR ACKNOWLEDGMENT OF
RECEIPT OF PRIORITY DOCUMENTS**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants received a Notice of Allowability mailed May 19, 2004 for the above-identified application.

The Notice of Allowability indicates that copies of the certified copies of the priority documents have been received in this national stage application. However, this application is a Continuation of an international application, not a national stage application. Thus, a Claim for Priority was filed on December 24, 2003, together with certified copies of the priority documents. A copy of the USPTO postcard acknowledgment of receipt is attached showing that the priority documents were submitted. In addition, upon review of the online Image File Wrapper, it is clear that the priority documents are in the Patent Office file.

The claim for priority is clearly complete. However, to make this clear on the patent Office record, the U.S. Patent and Trademark Office is requested to acknowledge receipt of the certified copies of the priority documents, which were filed on December 24, 2003, and indicate that the requirements of 35 U.S.C. §119 have been satisfied.

Respectfully submitted,
